

# Replicator for MS Dynamics NAV

## Version 4.30

Item No.	Description	Price Euros
30383	Entry Version (for salesman solution)	1.620,-
30374	Full Version (replication between servers)	4.320,-
30375	Extra server/department (multi user database)  NOTICE: The license is Company based. This means that if there is e.g. 2 Companies on 1 server it has to be licensed as 2 servers. For a price on the subsequent Companies, please call.	810,-
30376	Extra laptop/salesman (single user database)	405,-
30381	Replication of Design Objects (requires Entry or Full Version)	2.700,-
30380	Logging of all changes (requires Full Version)	2.700,-
30369	Replicator Server (requires Entry or Full Version)	1.350,-
30368	Replicator Changes Only (From SQL) (requires Entry or Full version)	1.350,-
30384	Replicator Manual Set*	40,-
30371	Maintenance and Support of Replicator** (mandatory)	15%
30386	Support (5 extra incidents)	680,-

Prices are end-user prices, exclusive vat and necessary C/Shells.

\* The end-user receives a CD including program, license and manuals as .pdf files. If the end-user wants a hard copy of the manuals it has to be ordered separately.

\*\* The Upgrade Program starts 3 months after the purchase of Replicator. The upgrades are normally purchased for a 12 months period. The upgrades are paid in advance and the price is calculated as 15% of the license value per year.

Support includes 5 incidents which expires together with the Upgrade Program. Unused incidents can not be transferred to next period. Support can be enquired directly from Rapidi ApS or through a Dealer. Unused extra incidents also expires together with the Upgrade Program.

## MS Dynamics NAV License Extensions

To run Replicator for MS Dynamics NAV, you need the following extensions in your MS Dynamics NAV license:

### For Central license you need:

*Where the Entry/Full Replicator is installed*

- C/Front
- 19 x Tables (numbers 64822 - 64840)
- 30 x Forms (numbers 64822 - 64851)
- 2 x Reports (numbers 64822 and 64823)
- 6 x Codeunits (numbers 64822 - 64827)

### For each extra site/department you need:

*Based on that site/department licenses are separate MS Dynamics NAV licenses.*

- C/Front.
- 4 x Tables (numbers 64826, 64827, 64832 and 64840).
- 4 x Forms (numbers 64826, 64827, 64841 and 64842).
- 1 x Codeunit (number 64825).

If the Scheduler is needed, you additionally need:

- 3 x Tables (numbers 64833 - 64835).
- 4 x Forms (numbers 64845 - 64848).
- 1 x Codeunit (number 64824).

### For each extra laptop/salesman you need:

*Based on that laptops are set up as "Satellite licenses". The file "Fin.flf" should be identical to the one within the main server.*

- Nothing extra.

PLEASE NOTE: Replicator takes up two MS Dynamics NAV users/sessions on the central server and one MS Dynamics NAV user/session on the site/department server when running.
